## *Who are we?*

Saving Lives is a UK HIV awareness-raising charity.  
Educating the public, challenging stigma,  
encouraging testing and ultimately saving lives.

## *What do we do?*

Whatever it takes to get people tested!  
We've even started baking!

## *How can I help?*

Take part in our Bake Off! Raising as much awareness and  
money as you can.

Each week Tweet, Facebook, Instagram or email us your pic-  
tures using the following hash tags:

#SavingLivesBakeOff #HIVTestingSavesLives

You can donate your entry fee and bake sale proceeds via our  
website.

# *The Saving Lives Bake Off*

## *Week 1 Halloween Special*

Show us your spookiest delight or sweetest pumpkin pie.

## *Week 2 Victoria Sponge*

Keep it classic, or give it a modern twist but it's all about the lightness of the sponge.

## *Week 3 Tray Bakes*

Brownies and flapjacks are always a crowd pleaser; perfect for slicing and sharing.

## *Week 4 Breads*

Soft ciabatta or crispy baguette, flavour loaded focaccia or the humble soda - prove you've got what it takes!

## *Week 5 Roll Cakes*

Swiss roll, remoulade, jelly roll, mousse roll...just don't let it crack!

## *Week 6 Seeing Red*

In honour of world AIDS day, December 1st, we're painting the kitchen red. Think raspberry tart, strawberry cheesecake or a daring red velvet

## *Week 7 Pastry*

Sweet or Savoury? That is the question. As long as it's not shop bought it's fine by us—providing it hasn't got a soggy bottom of course!

## *Week 8 Christmas Showstopper*

Figgy pudding or fruit cake, yule log or a ginger bread house, it's time for a showstopper to mark the end of the 2015 Saving Lives Bake Off.

# Top Tips

- 1 Food hygiene and safety are very important, so please make sure that any food served is stored, prepared and cooked correctly. More information can be found at [www.savinglivesuk.com](#)
- 2 Pick a venue that is free to use – your home, work or community hall.
- 3 When selling off your bakes, time it around break times and lunch when people will want a nibble.
- 4 Make sure you've got sandwich bags or cake boxes on the day so people can bring their goodies home.
- 5 Tell everyone about your bake sale in advance! Why not download our poster to help advertise and send out invitations.
- 6 Try to include people with allergies. Download and use the cake tags and labels to label your nut-free or gluten-free bakes etc.
- 7 Bring enough spare change and make your cake prices round numbers to make things easier.

## *One Off Events!*

If weekly baking isn't your thing you can join in for just one week or alternate weeks.

You could devise your own Bake Off structure sampling just 2 or 3 delights.

Battle it out with pies and savouries, create tier topping delights or mini cupcakes!

Why not make your birthday a Saving Lives Bake Off theme?

It doesn't matter what you bake or how you bake it, just tell us all about it via social media and raise some money and awareness for this fantastic cause!

## *Thank you!*
